

Amsterdam Youth Soccer Club

Our club relies upon the support of volunteers and in particular coaches. AYSC will not tolerate any offensive behavior against our coaches or unpaid volunteers. This will result in immediate action. AYSC board members will decide on the action to be implemented.

If a parent has any issue with a coach, volunteer, refs, or AYSC board member please make an attempt to talk to them face to face before resorting to email, text, or phone calls with your dissatisfaction. If you are not able to resolve the issue face to face, please reach out to a AYSC board member to resolve the issue.

COACHES:

U9-U13

- When last game is finished please pack up chairs and put away.
- Do not walk on field unless player is hurt.
- Let's remember to not speak ill of other players.
- No coach should be near the goalie nets, remain on the lines.
- No unsportsmanlike conduct. Ex: boasting to the other team before or after the game such as "We're going to destroy you" or "Nobody is better than us". Let's build up all players!
- Once a child has made 3 goals they need to go on defense, let other children score.

Practice Times:

- U9-U13 should be practicing 2 times a week.
- U6 should have one scheduled practice during the week.
- Mites should only have practice on Saturdays.
- All kids need shin guards and cleats on for practice/games. This is a MUST!
- Coaches are responsible to make sure goalies have on gloves.

Parents Rule of Conduct:

- Parents will not yell at officials or coaches.
- Parents will not fight with other parents, officials, or children.
- Parents will not ridicule anyone involved in a youth sporting event.
- Parents will not encourage violence either it be verbal or physical threats. Ex: "Take him down!"
- Parents will not curse or use obscene language.
- Parents will not blame anybody after a loss.
- Parents will not run on the field if a child is hurt until given a sign if need be by the ref or coach.
- Parents for children in U9-U13 must make sure the child attends one practice a week or communicate to their coaches about missed practices to play in the upcoming game.
- Parents who volunteer for snacks please make sure to bring them.
